

*Logo plate details for
Control Equipment Ltd panels*

- Instructions: 1) Indicate on the drawing below your logo and text requirements.
 2) Attach any samples/letter heads that may assist.
 3) Clearly indicate the colours required.

- Notes: - 1) The above logo plates are shown full size.
 2) The standard colour scheme provides a single colour design on a background to match the panel's display colour (Grey PMS 429 C).
 Additional colours are also available on request.
